

cerantola 
DE CHILE

El mundo está cada día más dinámico, los cambios son constantes y la lucha diaria por nuestros sueños cada vez más desafiantes. Todo esto requiere que gran parte de nuestras vidas pasamos en el trabajo, en la carretera, fuera de la casa, lejos de nuestra familia y de las personas que queremos bien, pero todo es una lucha para que podamos proporcionar una vida mejor a las personas que nos rodean.

El tiempo es siempre corto, y cada momento debe ser vivido de manera única y especial, y es con esa preocupación que a más de diez años CERANTOLA proporciona momentos de confort, bienestar y relajación, uniéndote a ti y a tu familia en un ambiente de puro amor, cariño, confianza y alegría. Ofrecer productos con calidad y confort es nuestra obligación, y proporcionar momentos únicos es nuestro mayor deseo.

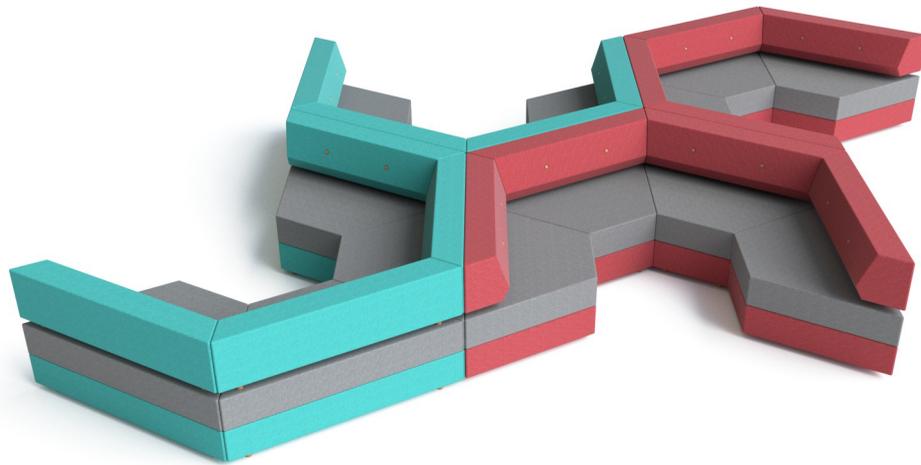

CERANTOLA, une a usted y su familia!

LÍNEA HOURS

HOURS MODULO – HOURS PRIVATE

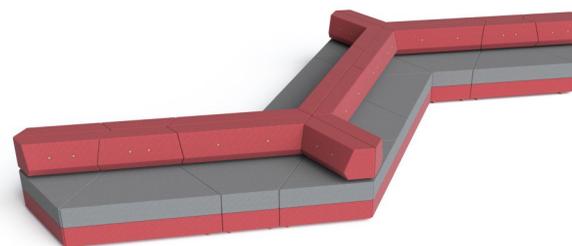

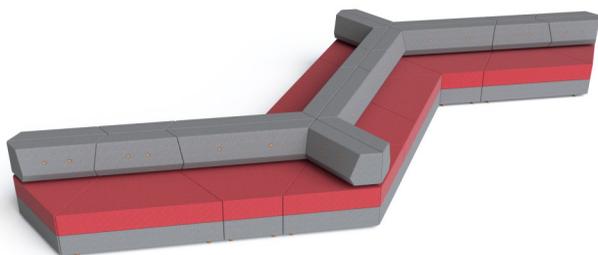

La familia HOURS está compuesta por productos que se destinan a ambientes interiores de restaurantes, teatros, cines, tiendas, salones, escritorios y salones de hoteles. Dividida en HOURS MODULO y HOURS PRIVA, los productos permiten una infinidad de diseños de montaje que componen su ambiente de la mejor manera posible.

La línea HOURS MODULO dispone de 10 tipos diferentes de medidas para asiento con en-costo, además de 6 diferentes elementos de pufes que encajan perfectamente en los sofás modulados, formando el mejor layout para su espacio.

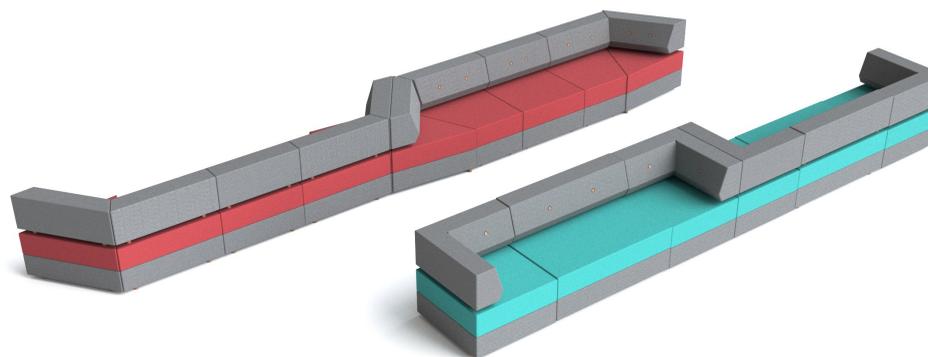

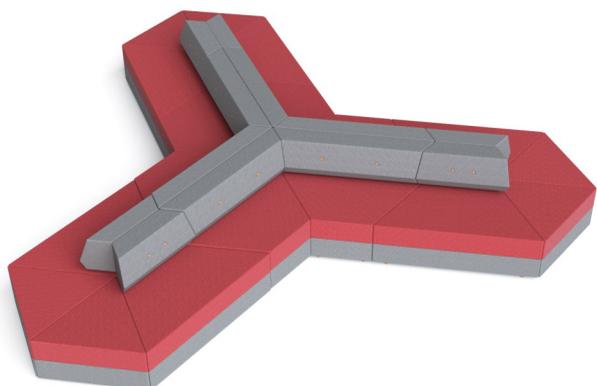

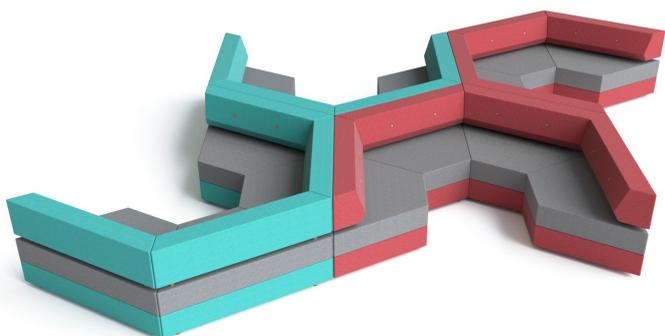

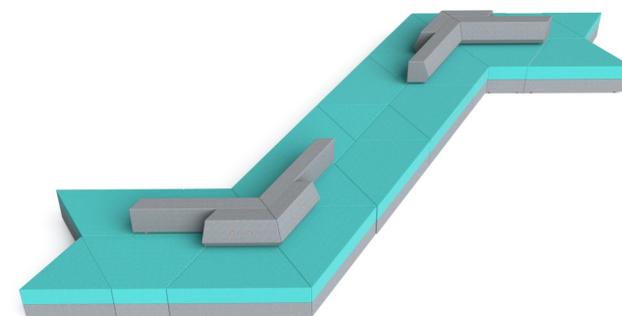

La línea HOURS PRIVATE, posibilita un área privada para una conversación más formal, donde dispone de aislamiento acústico y tomas de energía.

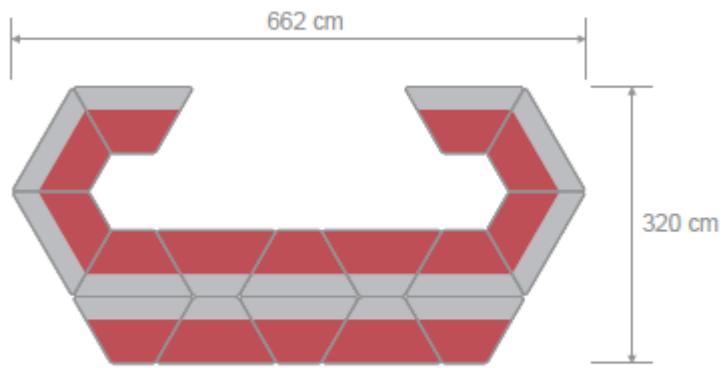

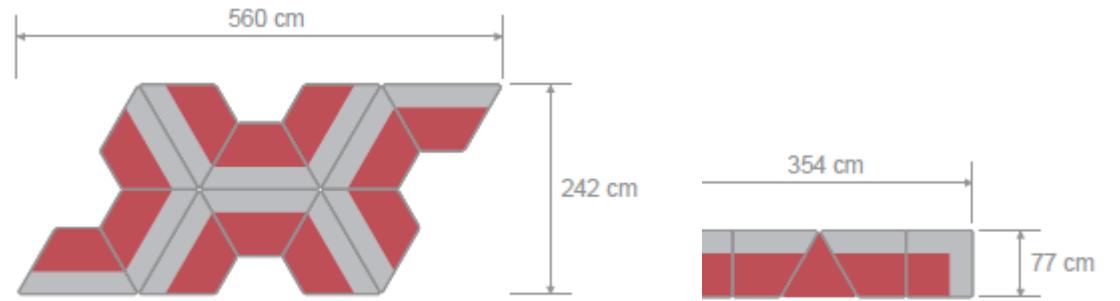

HOURS MODULO

Los diversos tamaños y tipos de módulos de la línea HOURS MODULO posibilitan infinitas composiciones y montaje del producto, lo que lo hace totalmente personalizable la mejor adecuación posible del ambiente en que será insertado, podemos ver algunas de estas composiciones que harán de su entorno un lugar único y eficiente.
