

# PLUS

# PLUS

## Introduction

Il miglior risultato in un progetto si ottiene ispirandosi al concetto dell'essenzialità. Un minimalismo formale, a cui giungere attraverso un lavoro di sottrazione. Il tutto in un processo creativo di continua ricerca della semplicità.

The best result is obtained by drawing inspiration into a project from the concept of essentiality. A formal minimalism is reached through a work of subtraction. All in a creative process of continuous search for simplicity.

El mejor resultado en un proyecto se obtiene inspirándose en el concepto de esencialidad. Un minimalismo formal, al que se llega mediante un regreso a las formas básicas. Todo en un proceso creativo de búsqueda continua de la sencillez.

# LESS IS MORE OR PLUS

Plus, semplice e dalla linea essenziale,  
comunica immediatamente la sua natura.

Plus immediately communicates its simple  
and essential nature.

Simple y esencial, Plus comunica de  
inmediato su naturaleza.

**Originale e raffinata, adatta per ambienti contract, ufficio e casa. Configurabile con o senza braccioli garantisce comunque la massima impilabilità.**

it's original and elegant, suitable for contract, office and home environments. It's configurable with or without armrests, however, it guarantees maximum stackability.

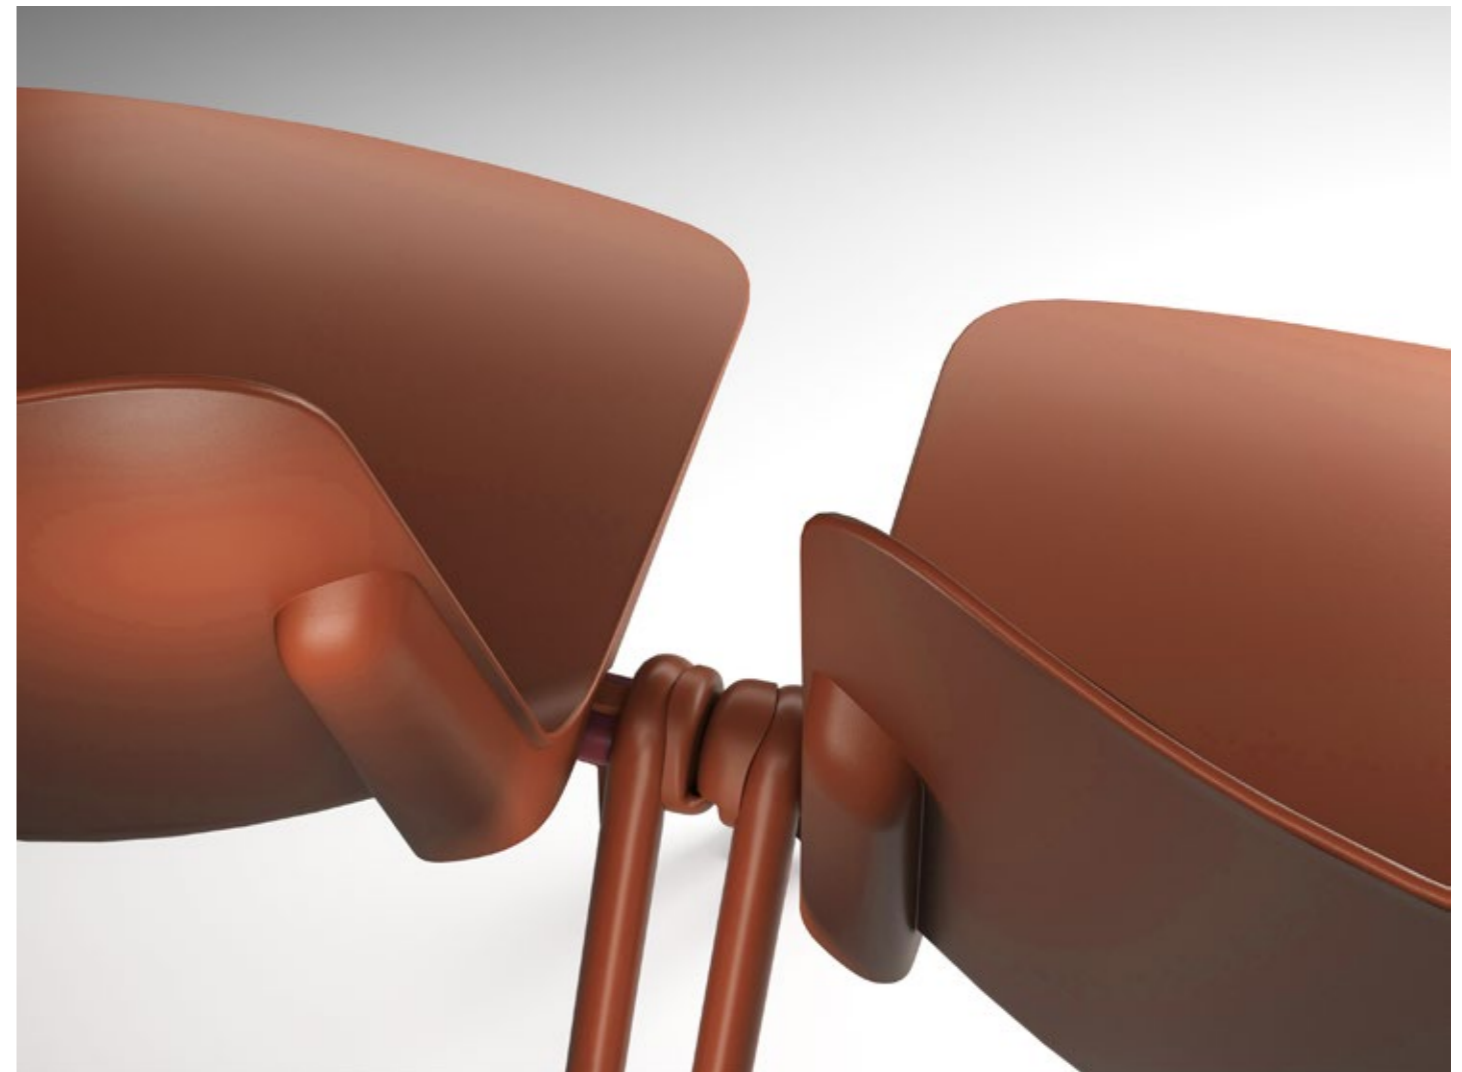

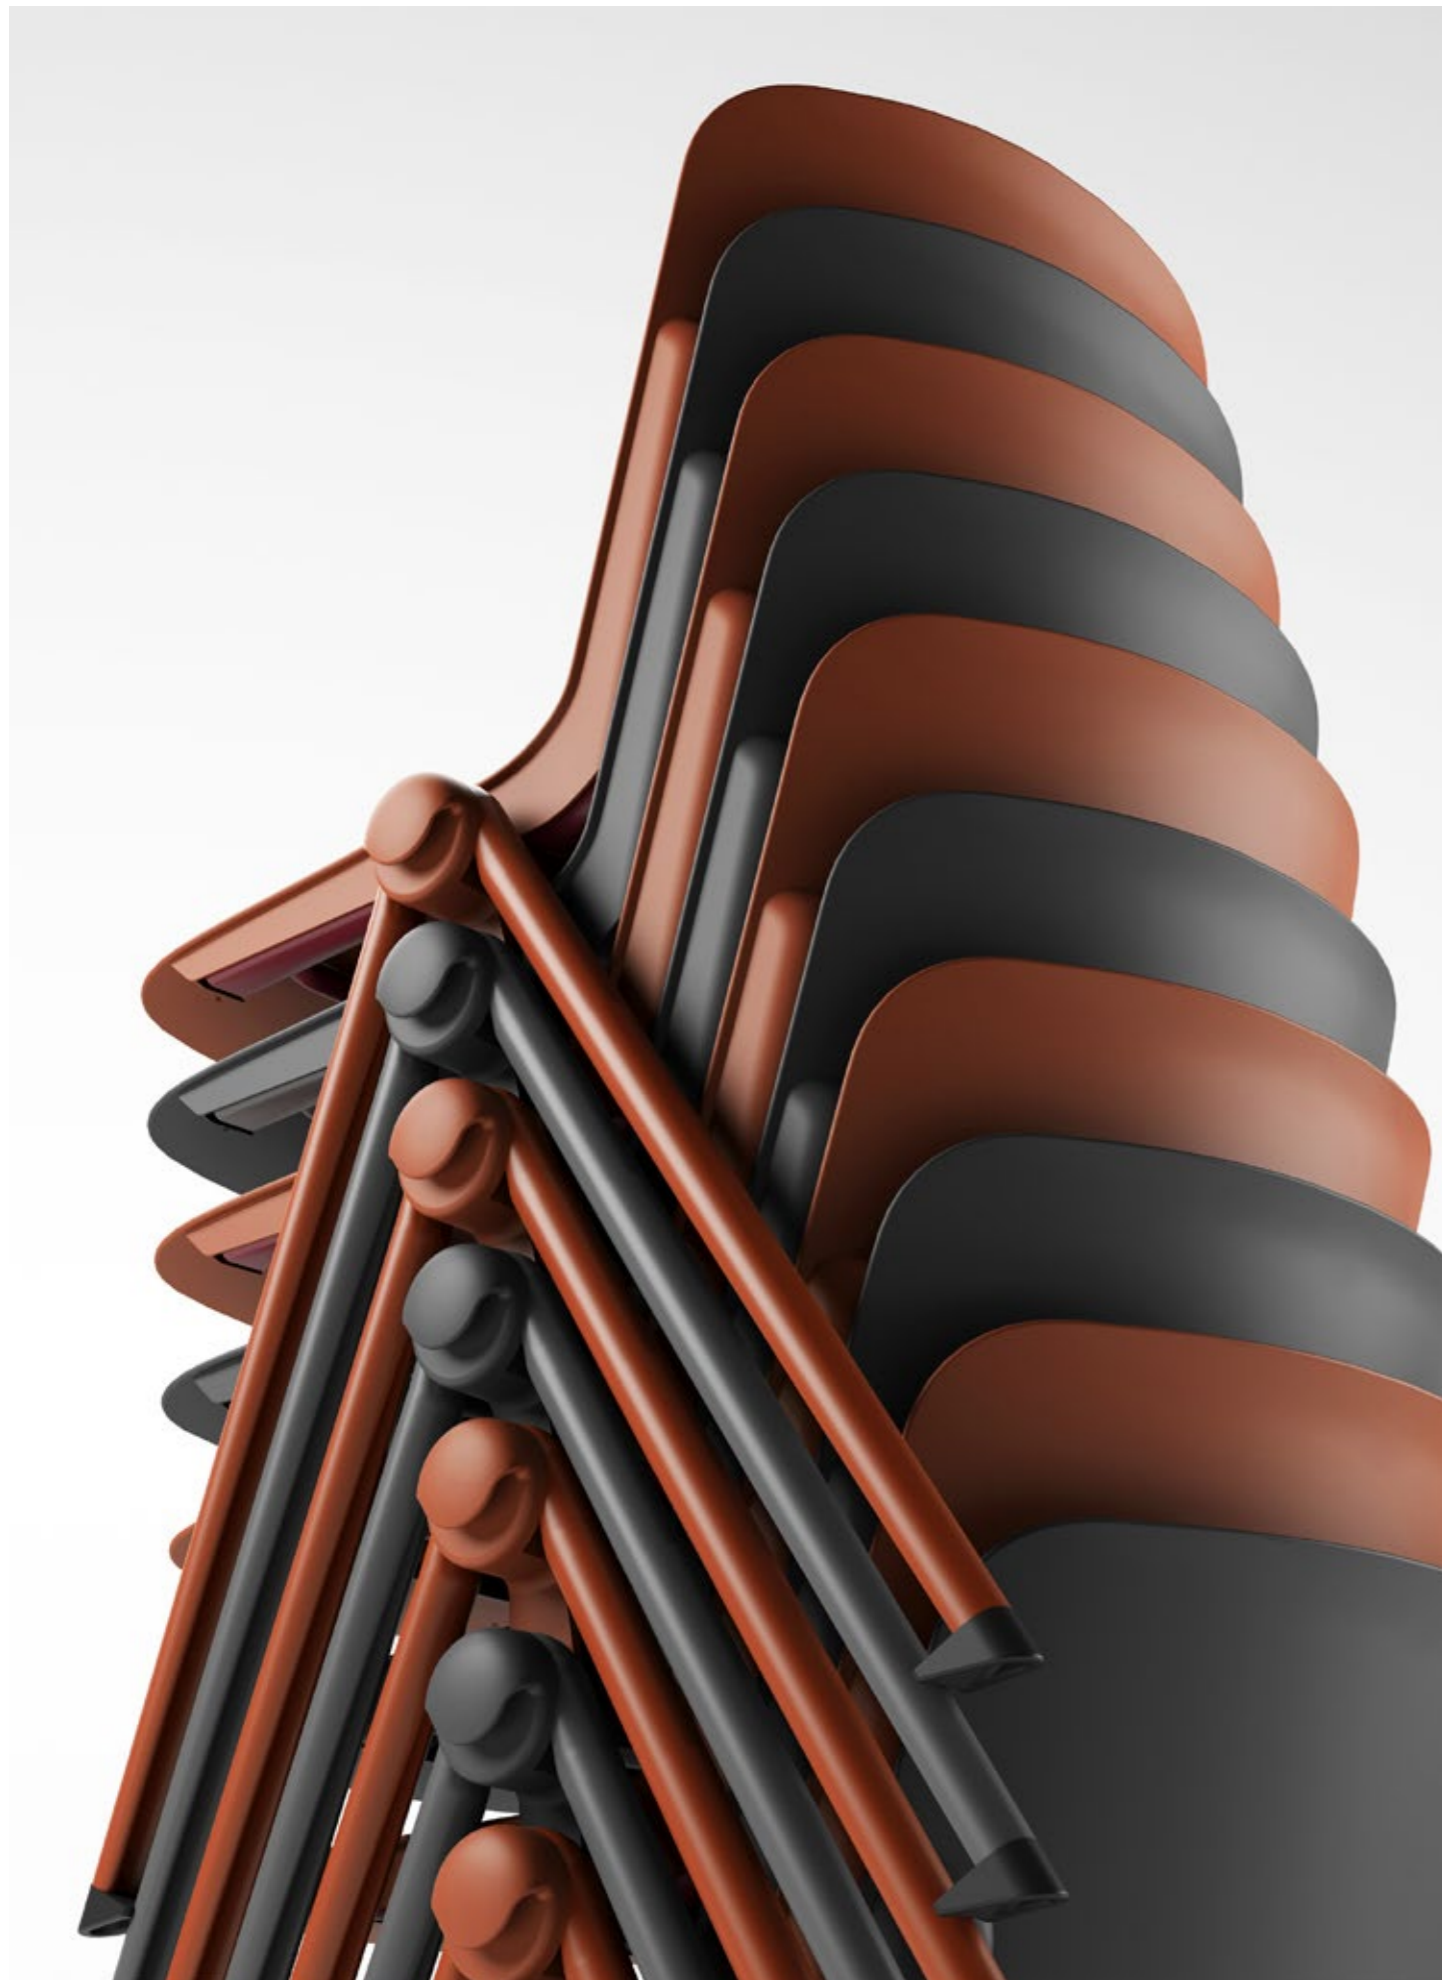

Original y refinado, adecuado para entornos contract, de oficina y ambientes domésticos. Con o sin brazos, garantiza en todas su configuraciones la máxima apilabilidad.

Agganciabile, impilabile e versatile. Plus è altamente configurabile e personalizzabile, può essere equipaggiata con aggancio unione oppure fornita con tavoletta antipanico. La scocca la rende ideale per fusti a 4 gambe, a base girevole o su barra.

It comes attachable, stackable and versatile. Plus is highly configurable and customizable, it can be equipped with a linking device or supplied with antipanic writing tablet. The shell makes it ideal for 4-legged, swivel base or bar mounted drums.

Acoplable, apilable y versátil. Plus es altamente configurable y personalizable, se puede equipar con un gancho unión o se puede suministrar con brazo y pala antipánico. Su monocasco lo hace ideal para estructuras de 4 patas, con base giratoria o montada en bancada.

# A COMPLETE SYSTEM

Un sistema pensato per sale d'attesa, conferenza, show-room, aule riunioni, ed uffici aziendali.

This system is designed for waiting rooms, conferences, showrooms, meeting rooms, and corporate offices.

Un sistema diseñado para salas de espera, conferencias, showrooms, salas de reuniones y oficinas corporativas.

La tavoletta dalle linee tondeggianti si uniforma perfettamente al disegno della scocca.

The tablet comes with rounded lines conforms perfectly to the design of the body.

La paleta con líneas redondeadas se adapta perfectamente al diseño del asiento.

Configurabile con cestello porta documenti.

It come configurable with document holder basket.

Configurable con canastilla portadocumentos.

# MAXIMUM VERSATILITY

Bellezza e funzionalità si fondono dando vita ad un progetto incredibilmente versatile.

Beauty and functionality come together to create an incredibly versatile project.

Belleza y funcionalidad se unen para crear un proyecto increíblemente versátil.

Plus è disponibile anche con telaio in filo, caratteristica che la rende estremamente adatta a contesti contract, attesa e meeting.

Plus is available with a wire frame too, a feature that makes it extremely suitable for contract, waiting and meeting contexts.

Plus también está disponible con estructura cold roll, una característica que lo hace extremadamente adecuado para ambientes contract, en salas de espera y reuniones.

L'aggancio, facilmente removibile, rende Plus ideale per sale meeting. Utilizzabile su fusto a tondino nella versione con o senza braccioli.

The easily removable hook makes Plus ideal for meeting rooms. It can be used on a rod frame in the version with or without armrests.

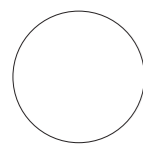

El gancho fácilmente extraíble hace que Plus sea ideal para aulas y salas de reuniones. Se puede utilizar con su estructura en cold roll en la versión con o sin reposabrazos.
